

**2**

Diagram 2 shows the assembly of the side panels. Part 1 (the back panel) is being attached to the side panel 2 using screws Z and cam bolts C. The bottom panel 4 is also shown being attached to the side panel 2. The top panel 3 is shown separately, indicating it will be attached to the top of the side panel 2.

**3**

Diagram 3 shows the assembly of the front panel. The front panel 8 is being attached to the side panel 4 using screws Z and cam bolts C. The front panel 1 is also shown being attached to the side panel 4. The top panel 9 is shown being attached to the top of the side panel 4. The bottom panel 4 is shown being attached to the bottom of the side panel 4. The front panel 8 is shown being attached to the side panel 4 using a hammer F and a screwdriver.
